

13 February 2009

Dear SSSP member,

Due to a printer error, the switch to the environmentally friendly FSC paper stock discussed in the Volume 56, Number 1 Letter from the Editor was not implemented with the recently mailed issue. Please accept our sincere apologies for this oversight. The next issue of /Social Problems --/ Volume 56, Number 2 -- will indeed be printed on the new paper stock.

Sincerely,

Rebekah Darksmith
