**FROM: Justice 21 Committee (Kathleen Ferraro, Robert Perrucci, chair, JoAnn Miller, Glenn Muschert, Paula Rodriguez Rust, Charles Trent)**  
**RE: Progress Report**  
**DATE: June 24, 2005**

This is the first year following the production and distribution of the first issue of SSSP's *Agenda for Social Justice 2004* (for a full description see the July 9, 2004 Progress Report that was submitted to the Board). The main activity for the past year was to add two new members to the committee.

The committee will meet at the annual meeting on Friday, August 12 (8:30 am-10:10 am in Liberty A). Our agenda is to review the activities of the committee leading to 2004 publication, and to develop a plan of action for the 2008 publication. The main challenge facing the committee is to devise a more proactive strategy for bringing future Agenda publications to public attention.
